My rub-a-dub stud

I recently enjoyed the trip of a lifetime on a cruise, but I did not bank on enjoying a sexual experience of a lifetime as part of the trip!

I'm a married lady in my thirties but I cannot pretend to be an angel! Whenever I am out with the girls I have a bit of a roaming eye for a hunky man and I haven't always been faithful. I never get involved in anything serious, but I have a insatiable sexual appetite and sometimes I can't avoid a little extra-curricular activity! I get plenty of attention and don't need to look very far for willing men. My big round ass seems to be go down well and my massive tits are always a pleaser. Add my peroxide blonde hair and I guess I tick most of the boxes!

The cruise was going swimmingly (if you pardon the pun) when after a week I decided to treat myself to an onboard massage. I'd spotted the masseur a couple of days before in his immaculate whites and the thought of him running his hands all over my fleshy body gave me goose bumps. He looked like he was in his late twenties and he had the suave dark Mediterranean looks that I go for. I also noticed a bit of mischief in his piercing eyes, for I spotted him checking out my curves in my favourite red swim suit. I can't deny that I picked up my towel from the deck just so that I could lean over to give him a better view!

"His mouth was soon planted on my erect buds, his fingers between my legs"

When the guy saw that I was his next client I recognised that mischievous look again. He gave me the rules and safety regulations and then asked me to make myself comfortable and then left the room so that I could get ready. The room was dimly lit, there was a wonderful aroma of candles and when the guy returned to the room I already felt like I was in heaven. Things improved when I felt his soft hands kneading my shoulders and caressing down my back.

He asked me to turn over and he stretched out my arms to the side as he clasped his fingers through my hand. After he had finished, my arm dropped like a heavy weight. Only, it did not drop back to my side as was his intention; I let my hand brush down over his crotch. The stiffening bulge that I felt confirmed my suspicions that he had been enjoying himself as much as me! I knew then that this guy was more than read to break all the codes of his profession.

My young stud stretched out each of my legs in turn and rested them on is shoulders. I was aware that from where he was standing he could look all the way down my thighs, right between my legs. I arched my buttocks forward to give him a better look. I have a ring on my clit and my freshly shaved pussy was already wet, so it must have been some sight!

Porno of the Month

TEENAGE PRICKS

Teenage girls have a reputation for being moody and unco-operative but we guess that when they hit 18, all bets are off. They might still stomp up to their bedrooms, but for silver-screen Harmony hotties Zoe Voss, Jynx Maze and Alyssa Branch, it's only to invite the cameraman in to record marathon prongings for posterity (and our drooling enjoyment). And if our petulant teens are whining and moaning it's only because they're enjoying a good seeing to in their most secret of holes and taking hot loads on their barely legal bosoms. Fans of pert young buds can see more in *Best of the Rest* on p. 82.

Allowed my little cream towel to drop down from my tits, and my fantastic fun bags were there for him to enjoy. The guy didn't waist any time, he moved around and started massaging them. His hands were so expert, I felt wonderful him caressing and kneading. I looked down and you could have hung a coat on my big pink nipples.

I didn't want to take any more initiative I just wanted the stud to do whatever he pleased with me. I spoke no words just purred like a hungry pussycat. The guy did not need any more direction tough. His mouth was soon planted on my erect buds, his fingers between my legs. He circled my clit with such a steady teasing rhythm that my purring turned into frantic growling. I so wanted him to taste me, to lick out my hungry fucking pussy on that massage table. I dug my fingers into the table to stop myself from screaming out loud. It felt so naughty this guy breaking all the rules and me loving it, I felt like such a fucking whore. My juices were trickling down my thighs, staining the table. The aroma of the candles had been replaced by the scent of my sopping cunt.

Eventually, after teasing me to the high heavens, he went down on me. His tongue was so warm, so eager, that I came like a proper slag, squirting all over his face. I have always been a squirter, but always in small doses, but this time it was a proper shower. He continued licking me out until I came a second time, this time louder and more ferocious than ever. I was desperate for him to be inside me now, but instead the guy kissed my lips and apologised and said that he had another client now.

I couldn't fucking believe it! I was like a dog on heat now and I had nobody to fuck me. I quickly dressed and looked for my husband, my pussy still drenched. I found him at the bar and I pulled him back to the room. He finished me off and I came like a dream. Afterwards he lay there and talked about how we still had the passion for each other.

If only he knew more about my massage! I can't wait for my cruise next year now. This time, I am going to book and appointment first day and make sure that the guy gives me a good seeing too!

LUCKY FUCKER!

It was April Fool's day last year when a mate of mine set me up big-time, or I should say fixed me up big-time. I should have checked the date when she told me to meet her in a cafe at 8am, especially as she was so mysterious when arranging it. When she hadn't turned up by 8.30, I texted to ask her where she was. I got one back saying, "Still in bed. Piss off." As soon as I received her reply, she rang and asked if I could see a bloke with spiky hair and little round glasses. I could, and she said, "His name's Sean. Go over and ask him to buy you a coffee." Apparently, he was a colleague of Lisa's boyfriend, who'd also been tricked into coming to the cafe, and two cappuccinos later, he walked me back to mine. I asked did he want to come in and he joked, "As long as it's not for more fucking coffee." I felt this horny little twinge deep in my pussy.

We didn't mess about, as we both knew why we were there, and I led him straight into the bedroom. There was no awkwardness – he started kissing me immediately, his tongue snaking into my mouth, while our hands groped each other's body through our clothes. Passion took over, and we hungrily stripped each other naked and rubbed up against each other. He eased one of his legs in between mine, spreading them open so he could grind it against my warm, moist slit. "You're so fucking wet..." he breathed in my ear, and I just clamped my thighs around his, panting heavily.

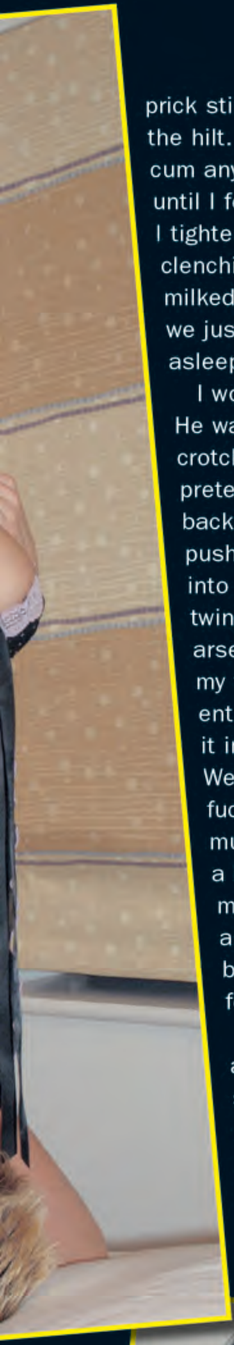
"Passion took over and we hungrily stripped each other naked!"

His prick was getting hard, brushing against my belly and hip, and I reached down, stroking my fingers over his length then curling them round it. I couldn't touch the tips of them together, his shaft was so thick, and he groaned into my mouth as I slid his foreskin slowly up and down over his helmet. He was thrusting his tongue in and out of my mouth, matching my hand motion, and slowly rolling me onto my back.

He knelt up in between my thighs, his hand closing round his stiff tool as mine slipped off it. For a few seconds he just looked down at me, spread out under him. My gaze wandered from his face back down to his prick, and the clear, wet drop glistening at the tip of it. I reached forward and dipped my finger in it, trailing it up my stomach and between my tits before sucking the salty traces off it.

That was it. Sean grabbed one of my feet in each hand, pushing up and back to bend my knees, so they were next to my ears, and splay me even wider open. His prick was sticking up so steeply I had to use my hand to guide him inside me, but as he started thrusting, the head of it was catching my g-spot as it slid in my right up to the roof of my pussy, making me gasp with delight.

I started playing with my tits, squeezing and kneading, then feeding my nipples one at a time into Sean's mouth. He sucked them rhythmically, his mouth clamping hard as his cock drove in deep. I slipped a hand down, rubbing my clit against my pubis, the tension building instantly. And I came so fast, my cunt crammed full of Sean's thick cock, I yelped out in surprise. "That's it... Come for me..." he groaned, his



prick stirring around in me, down to the hilt. He waited until I couldn't cum any more, then thrust again until I felt the first hot, wet spurt. I tightened myself around him, clenching and squeezing until I'd milked his balls dry of spunk. Then we just curled up together and fell asleep.

I woke up with my back to Sean. He was hard again and rubbing his crotch playfully against my arse. I pretended to be asleep, then ground back against him, circling and pushing so his cock head slipped into my crack. I'd feel another little twinge as it brushed against my arsehole, but then he pressed it to my wet pussy, playing it against the entrance. I let out a sigh as he slid it in me, fucking me slow and deep. We lay like that for a few minutes, fucking lazily, until it got a bit too much for Sean. He started to pump a bit faster and deeper, lightly biting my shoulder, while sneaking his arm around to pinch my nipple. I closed my eyes, and began to moan softly, enjoying how tight my pussy felt around his big cock.

Then he was pulling out and touching it to my arsehole, smearing it with my sticky juices before sliding back up my pussy again. He sneaked one finger slowly into my arsehole, pumping and wiggling it about, before adding another. "Like that?" he whispered. I just moaned in pleasure and clenched my arse and pussy. "Want to feel my prick up there?" he asked. I moaned that yes I did, and quickly.

He kept me waiting for a couple of minutes, like he couldn't bear to pull out of my cunt. It felt like hours – the anticipation was driving me mad. My clit was throbbing, and the thought of having Sean's gorgeous dick slip up my backside was almost too much to bear. Then, finally, I felt his prick slide out, soaked down to his balls with my juices, and touch against my arsehole. All the while he'd had two fingers working up it, stretching and teasing my pucker, so when he slid in, slowly and gently, I just opened up to take him.

I'd never been fucked like that before – Sean's hairy chest rubbing up against my back, his crotch splaying my arse cheeks as he ploughed in so deep that his pubes were tickling my ring. Just as I thought it felt a bit too much, he

reached down to cup my mound. This was so frustrating it was a turn-on – I was desperate for his fingers to move lower. Then he just sneaked a fingertip into the very top of my slit, and I gritted my teeth, willing him to slip it deeper. I didn't make a sound until it was tickling my clit, but when he started to rub it hard with the rest of his fingers, I started moaning out loud.

CLIFF TIDE PHOENIX ART GROUP

He screwed me, slow and controlled, until I couldn't hold back from cumming. My orgasm screamed through my entire body, Sean's arm clamping round me so I wouldn't squirm myself off his prick. Just when I thought it was all over, he'd give my clit another tickle and I'd be off again. Finally, I begged him to let up – I felt too sensitive to handle any more.

Now it was Sean's turn. He rolled me over so I was face down, with him stretched out along my back, my tits squashed flat against the mattress. He started thrusting just a bit harder than before, then straightened up, pulling my hips up as he went. I felt the damp patch on the sheets, where the spunk and juices had run out of me after our first fuck, and I rubbed my boobs against the sticky, soaked fabric, writhing my arse back against him as he pumped away at it. I thought he'd cum in my arse, but he suddenly pulled out and spanked me twice on the arse cheek.

Lifting my hips in the air, so I was on all-fours, he gave my pussy a good licking, sticking his tongue deep into my hole, lapping at our mingled juices as they ran down my thighs. He replaced his tongue with his fingers – stabbing at my sopping cunt as I pushed back to meet him. He teased me, pulling his fingers out, until I begged for more, before pounding them back in hard. I was just getting used to this rhythm, when he unexpectedly replaced his fingers with his hard cock. I yelped as the girth stretched my lips apart and ploughed fully into my aching pussy. He didn't waste any time, and fucked me like a slut from the off. I thought I could feel his dick in my stomach, he was smashing into me so violently, and I was loving every single second of it!

> **"He screwed me, slow and controlled, till I couldn't hold back"**

CLIFF TIDE || PHOENIX

Then, as suddenly as he'd started, he stopped and flipped me over onto my back. "Suck it." He told me, pushing his glistening tool into my face. I obliged willingly, grabbing it with both hands, and greedily feeding it into my mouth. At first I was in charge, sucking and licking his shaft slowly and teasingly, occasionally taking his balls into my mouth before licking back up his length once more. Then Sean grabbed my head, and began to fuck my mouth, pumping his cock down my throat till I gagged, then pulling it out all the way, before repeating it.

This only lasted a few minutes, before Sean lost all control and pulled out of my mouth, shooting streams of hot, sticky jizz over my face and in my hair.

Sean and I have seen each other regularly since. No way I'm letting a guy like that go!

Real smut from the Razzle sack!

Midnight Feast

The split with my previous boyfriend Craig was amicable – so much so that we decided to carry on living together as flatmates. Bringing Ryan, my new boyfriend home for the first time was a little nerve-racking, but they seemed to get on okay.

One night Craig and his mate Ted came in from the pub to find Ryan and me cuddled up on the living room sofa with a couple of beers, watching late-night TV. The programme featured an interview with a porn actress who'd broken the record for having sex with the most men in one session. There were a couple of clips of her in action, nothing too explicit of course, but then the dirtier details were probably hornier left to the imagination.

There was a certain amount of joking and then Ted said something about me having a crack at the record as I was much sexier than the porn star. I wasn't offended and neither was Ryan. We both knew Ted was just winding me up. As often happens in this kind of situation, though, I called Ted's bluff, treating everything he said deadly seriously. I'd gladly give it a go, I said, but what would I do when I'd shagged the three of them? Maybe their mates down the pub would be up for it, but it was way past chucking out time.

I don't know exactly where the idea of seeing how many times I could get fucked in an hour came from, but I soon realised the guys, even Ryan, were serious about it. They were talking about what was possible between the four of us.

Craig asked if I was okay. He'd noticed I'd gone quiet. "Yeah," I said. I'd just been thinking the situation through. I'd already fucked two of the guys, and Ted wasn't exactly unattractive. "I'm fine, and if you lot are genuinely up for it, so am I."

We decided the 'record attempt' would start at midnight and end at one in the morning. The only rule was that a fuck had to result in the bloke coming while his cock was in my pussy to count. We decided that Ted would shag me first, as he was the only one who hadn't previously done so.

I slouched on the settee, my bum hanging over the edge and my legs up in the air, resting against Ted's shoulders. Craig and Ryan were sitting on either side of me. Ted gave his cock a quick rub to make doubly sure it was hard enough to stick inside me, and on the stroke of midnight he slid it smoothly into my juiced-up cunt and started fucking me furiously. I wasn't expecting him to last long first time around, especially as speed was the object of the game, but it was a good five minutes before I felt the first warm rush of spunk inside me. While he'd been screwing me, I'd been wanking the other guys' cocks, one in each hand. I suppose I concentrated more on Ryan's as he was going next, and I got him so turned on it was already twitching when he took Ted's place between my legs. He only thrust into me once, then ground his cock around deep inside my pussy while fingering my clit. It didn't take long for me to come, and when I did, the pulsing of my cunt around his shaft brought him off too.

"Ted gave his cock a quick rub before sticking it in me"

Now it was Craig's turn. He asked if we could do it doggy-

style, which had always been his favourite position, and so I got down on my hands and knees. Ted, being only 22 and pretty fit had already got his breath back and was trying to wank his cock back to hardness, so I had him sit down on the settee so I could suck him as I was being fucked.

"Mmm," moaned Craig. "I'd forgotten how tight your cunt is. Good thing it's so wet." As he pushed into me from behind his fat cock forced out the spunky juices which trickled down my thighs.

His strokes in and out of me rocked my mouth backwards and forwards onto Ted's cock, and I could taste my juices on it. As it slid out I'd suck vigorously on the head, licking the underside of it with my tongue, then I'd let it sink right down to the hilt in my throat. Craig fucked me slower than the other two, like he was trying to hold back from coming – not quite playing by the rules. "Get on with it mate," groaned Ted, as a tiny droplet of his salty pre-come seeped and spread out over my tongue. Quick as I could I took his prick out of my mouth and squeezed it just below the head to keep him from climaxing. That done I concentrated on Craig, milking his prick with my muscles as he slammed fast in and out of me.

My second fuck with Ted – from behind, as Ryan and I sixty-nined, him sucking my clit while I gave his cock the same treatment – lasted, as you might have expected, a little longer than the first, so that when he came, there was just under half an hour to go till one o'clock. I needed to stretch my arms and legs and so I lay flat on my back for a straight missionary fuck with Ryan. Craig wanted me on top of him for his second go, and Ted slipped in behind me to play with my tits and clit which brought me to another shuddering climax. Of course he was rubbing his crotch against my back and bum, getting himself hard for his third turn. He hadn't yet fucked me from behind and it made sense for him to do me this way once Craig had pulled out, if only to save time!

After fucking me twice, poor Craig took longer than the others to recover, and so I concentrated all my efforts on him, licking and fondling his balls then, as his prick started to come to life again, sucking his shaft. Ryan had been happily wanking himself over the sight of my tits swinging back and forth and slapping together beneath my body, and it seemed like he was inside me again less than a second after Ted had pulled his dripping stalk out of my pussy. As Ryan screwed me I continued to suck Craig's prick.

"His fat cock forced the spunky juices out of my hot slit"

With less than five minutes to go Craig was inside me a third time and pounding me furiously, missionary style. Exhausted, the other two were flopped against the settee, both looking rather glazed. As Craig strained to bring himself off I reached down and around to play with his balls. The extra stimulation sent him right over the edge and, with his cock so deep inside me his crotch was splaying my pussy lips, he finally shot his load with only a few seconds to spare.

It all seemed very unreal the next morning, so Ryan and I have talked about staging another attempt!

A little boy's mother is pregnant again, and is due to give birth very soon. One day, the little boy walked into the bathroom and caught his mother naked. Having never seen any before, he asked what her pubic hair was. Slightly embarrassed, she responded, "It's my wash cloth, darling."

Weeks later, after the woman had her baby, the young boy walked in on his mother again. While she was in the hospital, the doctor had shaved her pubic hair. The boy asked, "Mummy, what happened to your wash cloth?" His mother responded, "I lost it." The little boy, trying to be helpful, set out to find his mother's washcloth.

A few days later, he ran to his mother yelling and screaming, "Mummy! I found your washcloth!" The mother, thinking he was playing, went along with the boy and asked, "Where did you find it, sweetheart?" The boy answered, "The maid has it! She is washing daddy's face with it."

A blonde with two burnt ears goes to the doctor, who asks what has happened. "The phone rang, and I accidentally picked up the iron." "What about the other one?" "They called back."

WHAT'S GOOD ON A PIZZA, BUT BAD ON A PUSSY? CRUST.

WHAT'S THE DIFFERENCE BETWEEN YOUR WIFE AND YOUR JOB? AFTER 10 YEARS YOUR JOB STILL SUCKS.

MATT GOES INTO A PUBLIC TOILET AND SEES A GUY WITH NO ARMS STANDING AT THE URINAL. MATT GOES FOR A PISS, AND WONDERS TO HIMSELF HOW THE POOR BLOKE MANAGES TO GO. HE FINISHES, WASHES HIS HANDS, AND IS JUST ABOUT TO LEAVE WHEN THE BLOKE ASKS MATT TO GIVE HIM A HAND. MATT IS A NICE GUY, SO HE AGREES.

THE MAN SAYS, "COULD YOU JUST PULL MY FLIES DOWN PLEASE?" MATT SAYS, "SURE!" AND PULLS THE MAN'S ZIP DOWN FOR HIM. THEN THE GUY SAYS, "SORRY, BUT COULD YOU PULL MY DICK OUT FOR ME TOO?" MATT HESITATES BUT SEES THE GUY'S SLIGHTLY DISTRESSED.

HE PULLS THE GUY'S DICK OUT AND IS DISGUSTED TO SEE THAT IT IS OOZING PUS AND IS RED AND BUMPY, WITH ALL SORTS OF SCARS, RASHES AND SORES COVERING IT. HE ASKS MATT TO POINT IT TOWARDS THE URINAL FOR HIM. MATT DOES, THEN SHAKES IT AND ZIPS IT BACK IN HIS TROUSERS FOR HIM.

THE GUY IS REALLY GRATEFUL. "I REALLY APPRECIATE IT, MAN." "NO PROBLEM, BUT WHAT THE HELL'S WRONG WITH YOUR PENIS?"

THE MAN PULLS HIS ARMS OUT OF HIS SHIRT AND SAYS, "HAVEN'T GOT A CLUE, BUT I'M NOT FUCKING TOUCHING IT!"

Who is the most popular guy at the nudist colony? The guy who can carry a cup of coffee in each hand and a dozen donuts.

DIRT*bag*

Real smut from the Razzle sack!

Lezzie Crush

I've always had a crush on my sexy penfriend Marianne ever since the first time I visited her family in London when I was a kid.

Although I fancied her like mad, nothing ever happened until we were both 17 when we ended up snogging in her bedroom after a rather long game of Truth. Unfortunately, I had to return home the next day and so that's all we ever did, but from then on we wrote to each other almost every day.

We'd never had the chance to see each other again until last August when Marianne invited me to go and stay with her and her boyfriend in Farnham in Surrey.

On the sixth day of my visit Marianne suggested a picnic so we packed a hamper and the three of us drove up into the hills that surround the town. They took me to one of their favourite spots and, after a couple of bottles of wine, Marianne asked me if I'd like to go for a walk up one of the hills.

Raoul was listening to the radio and sunbathing so Marianne and I set off on our own. We followed a path that took us through this dense wood and as we walked we held hands and talked about things we'd done in the past. It was me that mentioned the kissing but I expected Marianne to laugh it off as just a teenage fling. Instead she led me through the undergrowth to a clearing and pushed me up against the trunk of a big tree. Before I knew what was happening her soft lips were brushing against mine and our tongues were darting into each other's mouths. Reliving our first kiss was intensely erotic, but we were older now and I kind of knew that this time we'd be going a bit further!

Marianne said that the walk took about an hour and Raoul wouldn't be missing us for at least another 45 minutes. We pulled at each other's clothes like little kids opening Christmas presents until we were both left in just our panties.

Leaving our clothes in a heap I pushed Marianne behind a bush and we lay down in the soft grass, both hungry now to have sex with another girl.

I was so excited I could feel my heart beating like mad in my chest as I rolled on top of Marianne with our mouths glued together in a passionate kiss. I wanted to make the most of the short time we had and I slowly moved down her body, trailing my tongue down her neck and across her breasts to one of her sensitive pink nipples.

She moaned as I sucked it between my lips, flicking my tongue across it and gently rubbing the other with the palm of my hand.

She grabbed handfuls of my hair and gently pushed me down further as my lips kissed their way over her smooth flat tummy until at last I was lying with my face in between her long legs.

"Our bottoms were pumping up and down"

Teasing her, I kissed her through her cotton panties, enjoying her reaction as she spread her legs and sighed softly.

I could taste her juices through the material and when I knew she was really wet I manoeuvred myself into the 69 position and, as I crouched above her, we pulled each other's pants off.

Her pussy was well trimmed and her lips were nice and bare, so I knew she'd like mine as it too was smooth and almost hairless. We must have been staring

at each other's genitals for ages as it was the first time either of us had been able to look at another girl so closely before.

It was Marianne who moved first and I gasped as I felt her tongue lick along the length of my slit as if it were a lollipop. Gently, I lowered my body down on to hers and, pulling open her outer petals, my soft lips encircled her hard little clit and sucked it into my mouth.

Marianne's hips were rocking up and down against my mouth and I slid my hands underneath her to squeeze her pert round bottom. Neither of us seemed to have any inhibitions and I squealed in delight as my cute penfriend pushed a moistened finger deep into my tight little bumhole.

"I teased her until she was begging me to let her come"

I love having my bottom fingered and Marianne did it just right, pushing it in as far as it would go and then wiggling it round, driving me insane. Of course it wouldn't have been fair if I hadn't returned the favour so I pulled her legs backwards to make it easier for me to get to her bottom.

She was sort of gasping in anticipation as I moistened a finger and rubbed it round and round against her pink anus. Then, as I glued my mouth around her wet hole, I sank my finger into her bottom and pushed it deep inside her. Our bodies pressed rhythmically together as we both gasped and breathed deeply, our orgasms building. Marianne was moaning quite loud but by this stage I didn't care if anyone heard us and I snogged her gorgeous little pussy as she pushed herself hard against my open mouth.

Our bottoms were pumping up and down like little pistons and we gasped and moaned as our bodies trembled together. Suddenly Marianne's free hand pushed down hard on the back of my head and, at that moment, I concentrated all my attention on sucking as much of her clit into my mouth as possible. She cried out loud, jerking herself rhythmically against me, and knowing that she was coming just tipped me over the edge. We both shuddered and moaned deeply as we came in each other's mouths, our bodies sweaty and locked firmly together.

Marianne reckoned we still had about 20 minutes before Raoul would start to wonder where we were and we both reckoned that we just had enough time for another quick orgasm each before we headed back. We took it in turns to lay back in the grass whilst the other did the sucking.

I was first, but because I was so horny Marianne made me come with her soft lips and tongue in about five minutes flat. When it was Marianne's turn I decided to make the most of our time so I teased her, stopping every time she was about to reach orgasm, until she was begging me to let her come.

When we got back Raoul didn't suspect a thing and we even managed another session the next day when he had to drive to his mother's house to help her unblock a drain. Marianne's going to visit me next for a long weekend in April, and this time she'll be without her other half… so the only picnics we'll be having will be in bed!

(Sorry mate, I didn't mean to wobble your willy down at the Wetherspoon's – if it helps, Donna the barmaid did take the clone home and has looked worryingly happy ever since!) The Clone-A-Pussy was a bit, well messy and I was at one point a little worried for my girl down there – but all was okay in the end and now my fanny is pinned above the editor's desk for all to see! NATURAL DELAY

At last a totally natural Delay Spray…tah-dah! I was not aware you guys were waiting for one with such bated breath but as benzocaine is now banned over the counter (which is in many delay sprays) you'll be relieved that this will cause you and yours no harm. So spray away chaps and stop thinking of your Nan and you might be able to hold on to your hard on. The cheaper option is of course is to get a better-looking girlfriend.

TEXT A HORNY MILF TODAY!

Some women just give you the horn. Lots of desperate older women who love sex, get frustrated when they're not getting enough cock. That might include the nurse who took your blood pressure or the cheeky cashier at your local supermarket. The one thing they have in common is you would love to shag the arse off all of 'em.

You might not get the chance to have a go on their bones but you can swap filthy pictures and tell them how much they give you the horn. You know she's gonna fucking love it.

We can hook you up with hundreds of filthy women but be warned, these women are looking for explicit text chat, not just swapping recipes and chats about Eastenders. If you love MILFS just go to: **www.lovemilfs.uk**

True Con

Cara's fiancé is happy for her to enjoy her last days of freedom with a couple of cocks...

When I got engaged, my mates bought me this really realistic-looking dildo as a joke present. I wound my fiancé, Simon, up by playing with it hand to hand and telling him I'd just made him redundant. He didn't take me seriously of course, and as expected he ended up in the bedroom with me and the sex toy.

Watching me suck on a length as I took his knob in my pussy really turned Simon on, and I was just as horny having two cocks to play with. I couldn't fight what I was thinking and, after about a month of lots of fucking around with Simon and my dildo, I asked what he thought about us bringing another bloke in for a threesome.

> "As the cream spurted out of his tip, I aimed it at my boobs and face"

I thought he'd insist on another woman if anyone, but he liked the idea of seeing another bloke have a go at me.

A few weeks later, he gave me a call and told me to change into something sexy, and make myself look nice. He was bringing Mike, a bloke he knew from work around to ours for a few beers, and maybe more if I was up for it.

As the blokes sat on our sofa with their drinks, I leaned back in the armchair opposite. I hadn't bothered wearing knickers under my short skirt, and made it very obvious. I began stroking my legs, but before long I was openly frigging my pussy.

The boys soon joined in this wank-session, giving me the chance to take a good look at Mike's cock. He wasn't a big bloke, or a sex god, but his dick was as big as Simon's (although maybe a big more girthy) and there was just something about him. I pulled my dildo out from where I'd hidden it, under a cushion. I didn't use it inside myself, but played it over my slit.

"OK," said Simon, after a few minutes of this, in his subtle way. "Who you sucking and who you fucking?"

I shot him a sexy look and tottered over to Mike on my high heels. I knelt down and bowed my head. His shaft curved upwards while Simon's was straighter, and when I wrapped my lips around it he tasted saltier and muskier, too. Whatever, I couldn't get enough of it. I sucked it deep into my mouth, so it hit the back of my throat,

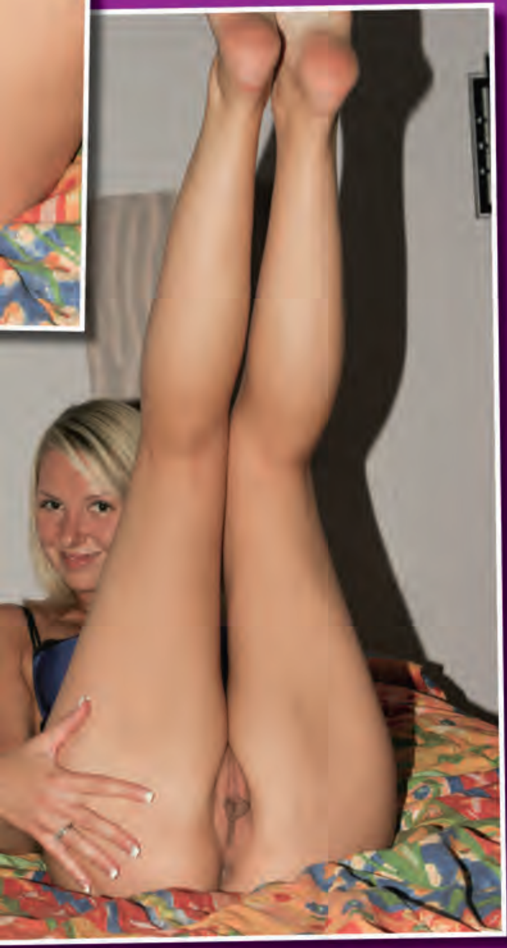
fessions!

before pulling my lips back again. After repeating this a few times, I knew a good mouth-fucking was in order.

Simon didn't hang about to watch for too long. As soon as I hit my rhythm, slurping away on Mike's helmet, he got in behind me and slipped two fingers into my sopping twat. Realising I was already frothing and there was no need for foreplay, he aligned himself, and thrust his rigid rod violently inside me. His balls hit my clit as he banged away at my juicy cunt and I let him set the rhythm, and made a tight tube shape with my mouth and fingers, letting Simon's hard thrusts dictate my blowjob.

Simon was obviously more excited than he was letting on - it wasn't long before I felt his crotch shudder against my arse and a load of spunk shoot out inside me. But, the instant he slipped out, he jammed the dildo in my cunt and started fucking me with that instead. He used it hard in me, whipping and churning up my wetness, before pulling it out again.

> **"I rubbed the spunky dildo over my tits"**



Slowly, I arched up, leading Mike a bit further forward. Simon handed me the dildo, coated with spunky juices, and I rubbed it all over my tits.

Mike wanted a bit of that for himself and grabbed the dildo from me, working it in and out of my mouth as he whacked his cock in between my breasts. I shoved them together around it, rubbing and massaging as he started fucking them.

It didn't take him long to reach the brink of cumming, and as the cream started to spurt out of his tip, I aimed it at my face and boobs, making as big a mess of myself as I could manage.

I actually think Simon was slightly shocked at how slutty I was being, as I smeared cum all over my cheeks with Mike's pumping prick.

Both of the lads were spent for now, but I'd only just got started. I grabbed the dildo off Mike and started fucking myself, giving them something to get them hard all over again. Simon started wanking almost immediately, and as I orgasmed, I saw Mike's hand stray to his dick too.

I just kept going all night, frigging myself into a frenzy, although I never had to go very long without having a real cock ready for me.

We've had a couple of sessions with Mike since then, and we've also talked about a threesome involving another woman. When that happens – and it will – I'll write and tell you all about it!

BEST of the rest

Further filth from the Razzle team!

Petite & Perky (Boobs, that is)

Think of a porn star, think big fake boobs, gleaming white teeth and big hair. However, some of our favourite fuckbunnies aren't that big busted. They roll au naturel, with not a bit of silicone in sight...

Angel Long

This 6 foot Swindon babe needs no introduction, having been near the top of every porn list we can think of. Filthy, dominant, intelligent and very, very sexy, Angel has proved time and time again that she can indulge and fulfil every fantasy we can (and have) conceive(d). With her 34A boobs, flowing blonde locks and ultra-fit body, she may look like an angel, but she's one of the filthiest devils we've met. Her tastes include anal, DP, group sex, creampies, bondage, lesbian (she is most definitely bi-sexual in real life), interracial, cum-swapping, in fact, you name it, she's more than likely tried it. All in all, Ms. Long proves that you don't have to have big tits to be an amazing porn star!

Selena Rose

Cutie Selena Rose may have only appeared in a mere 12 movies, but it's definitely quality not quantity where this Cuban sexpot is concerned. Having only lost her porno virginity in 2010, she started at the very top, being signed to porn giants Digital Playground from the off, and was quoted as saying that her plan was to "become the biggest adult star in the world" – so watch this space! Standing at 5' 5", Selena proves that the best things do, indeed, come in small packages, and we reckon that her 34B-24-34 figure will have men queuing round the block (us included!). Apparently she fantasises about going back to her old high school and fucking her old headmaster. Anybody got a mortar board? Check out Selena at her dirtiest in DP's *Prom*, catching a faceful of man-juice, and follow her on Twitter – @selenarosedp.

Annette Schwarz

German goddess Annette Schwarz holds the crown for the nastiest fuckbunny around, well, in our books, anyway. She may have shot a mere 246 movies in her eight years service, but having signed a contract to a major German porn company on her 18th birthday, we reckon Annette was destined to be a porn star. Having won 3 awards for her on-screen antics, we would recommend *Electric Asshole 5* for her pure filthiness, and *Fashionistas Safado: Berlin*, for one of the best orgy scenes we've wanked off to. From blowbangs, A2M, watersports, cum-swapping, interracial and anal, to creampies, DP, deep-throating, lesbian, gangbangs and

BDSM, Annette really does do it all. Including, as she states on her website, 'cum on food', 'pee in the eye' and 'cum sniffing'. And we salute her for it. See for yourself at her mindboggling site Annetteschwarz.com.

Syren Sexton

The winner of Paul Raymond's 2010 Britain's Got Totty Award and a TVX Shafta Award, Syren Sexton is one of Britain's hottest young things at the moment. With her 32C-26-32 figure and pretty-cum-on-me face, the blonde bombshell has filmed 48 titles so far in two years and has no plans to quit. If you haven't seen sexy Syren in action, check out Vivid's *Batman XXX*, which sees her holding more than her own with the beautiful Andy San Dimas and US cocksman Randy Spears. Keep up with her on her cummings and goings on her Twitter page @SyrenSexton.

Tori Black

It's no surprise that the achingly beautiful Tori Black started out her career as a Penthouse Pet, but we are so glad she went on to harder and better things – including dildos and cocks! Since 2007, she has appeared in over 250 pornos and won an impressive 18 awards for her efforts, so she must be doing something right. When we first spotted Tori, we figured she'd just be doing a bit of lezzer porn – all good lighting and pretty outfits – so we were made up to see her not only handle a cock or two straight away, but then go on to do anal in 2009, then her first DP scene in 2010. If you've not yet shot your load over Ms. Black, may we recommend her very sexy Catwoman in Vivid Entertainments's *Batman XXX: A Porn Parody* – we guarantee you won't last long! Check out her website, www.toriblack.com.
